# Who we are?

The Syrian NGO Alliance consists of 23 Syrian Non-governmental Organizations (SNGOs) who are some of the largest SNGOs working to meet the humanitarian needs in line with international standards and protocols. SNA provides the umbrella for these SNGOs to coordinate and advocate common messages ensuring the voices of affected populations are heard. We play an active role when it comes to how aid is being delivered in Syria. The Syrian NGO Alliance (SNA) saw the light on the 2nd April 2014 in Gaziantep, Turkey.

## / **Our Vision**

To lead the Syrian humanitarian work and its voice to empower the rights of society.

## / **Our Mission**

An alliance of Syrian humanitarian organizations who actively and effectively advocate and coordinate at various levels the responses to the Syrian humanitarian affairs to help the Syrian people preserve their dignity and rights.

## / **Our Values**

 Trust

 Effectiveness

 Equality

 Collaboration

 Participation

# Our Members

# Our Activities

- 1. Participate** in meetings, conferences, and events relating to the humanitarian response in Syria, to advocate for issues of great concern to civilians affected by the Syrian crisis, and to play a pro-active role in coordinating efforts and ensuring a better humanitarian response.
- 2. Engage** in focused meetings with decision-makers and officials from UN State Members that are involved in the Syrian context, to improve the humanitarian response and the protection of civilians and humanitarian workers.
- 3. Be represented** at various events such as: The Humanitarian Liaison Group (HLG), the Strategic Steering Group (SSG), the Inter-Cluster Coordination Group (ICCG), Top Donor Group Meetings, Donor Conference (i.e. Brussels and London Conferences for Syria), Senior Officials Meetings, Post-SSG Donor meetings and the Humanitarian Summit in Istanbul.
- 4. Liaise** with other NGO fora (regionally and internationally) such as the Syrian Networks League

(SNL), The Syria International NGO Regional Forum (SIRF), and NGO Forum northwest Syria, to better understand the collective challenges and put together the best ways to mitigate them and to coordinate advocacy efforts.

- 5. Serve** as a platform to effectively address challenges, discuss solutions and conduct capacity building, and to share lessons learned and best practices internally within the Alliance and externally with other stakeholders and partners.
- 6. Hold** media conferences, publish statements, videos, and news to raise awareness about and advocate for key humanitarian issues.

# Advocacy

## Campaigns, Events, and Trainings

---

The Syrian NGO Alliance (SNA), hosted the press conference “The Humanitarian Catastrophe in North West Syria” at Elite World Istanbul hotel in Istanbul, on February 19th 2020, Turkey. The goal of this press conference was to draw the world’s attention to the disastrous consequences of the recent military escalation launched by the Syrian Government and its Russian and Iranian allies on the already dire humanitarian situation in Northwest Syria.

The conference included a reading of a [press statement](#), a Skype call with Dr. Ikram Habbous (Manager of the Maternity Hospital in Idlib city, and [video](#) showing the dire humanitarian situation of IDPs in Northwest Syria. Over 25 media channels, news agencies and journalists attended the conference which was [live-streamed on the SNA Facebook page](#) and some media channels like Al Jazeera Live.

The SNA team further produced a [report](#) covering the conference. The report included the conference goal, short bios of the panel, the press statement in English, Arabic and Turkish, the invitation, and a detailed account of the panel speeches, the call with Dr. Ikram Habbous and all the questions and answers with media. You can find the photos taken at the conference [here](#).

On March 10th , SNA organized a vigil for humanitarian workers on Tuesday 10 March 2020. The vigil took place in Bab Al Hawa, Idlib, Syria, where over 130 humanitarian workers from SNA member organizations participated in the vigil.

Purpose of the vigil: In memory of humanitarian workers working with Syrian NGO Alliance (SNA) member organizations who lost their lives in the recent military campaign on northwest Syria, and to express the ability

and preparedness of Syrian humanitarian organizations to respond and to confirm that humanitarian workers are doing everything in their power to provide aid and assistance to alleviate the suffering of our people, especially IDPs in Northwest Syria.

Read the complete vigil report [here](#). This report has been shared with SNA contact list.

The SNA team has started working on a monthly Directory of Activities of the Member Organizations of the Syrian NGO Alliance (SNA) in Preparing and Responding to Covid-19. The SNA team contacted the SNA member organizations and received summaries of the activities of each organization with regards to Covid-19 and then compiled the information in a [report](#) issued monthly.

Additionally, SNA prepared and published a [paper](#) on Covid-19 calling Humanitarian workers and beneficiaries inside Syria to follow a set of measures to protect themselves from infection with the virus and from spreading it.

On April 30th 2020, the SNA issued in the city of Gaziantep, Turkey a [press release](#) under the title: “The Syrian NGO Alliance Warns Against the Catastrophic Consequences if COVID-19 Spreads in Northwest Syria”. This press release provided facts about the current dire humanitarian situation in northwest Syria especially in terms of health capabilities and then warned that if Covid-19 spreads in northwest Syria that situation will be absolutely catastrophic and finally called for UN agencies, international organizations, and actors on the ground to shoulder their responsibilities and intervene to protect over 4 million people in northwest Syria.

SNA has published the “Targeted Humanitarian Facilities in Northwest Syria in 2019” report. The work on this

report has been going on for several months; it included collecting documentations about the humanitarian facilities in NWS which are supported by SNA member organizations and a few facilities supported by organizations outside the SNA, that were targeted militarily by the Syrian Government forces and its allies especially the Russian. These attacks caused many facilities to become out of service and denied people in need in NWS from the lifesaving services provided in these facilities. The final report was produced in [English](#) and [Arabic](#) and shared widely.

The SNA Media and Communications Working Group produced a video as part of advocacy efforts for the renewal the UNSC cross-border

resolution based on the SNA Strategic Plan for 2020. The [video](#) was published on the SNA Facebook page and pages of member organizations.

The SNA through its Media and Communication Working Group (MCWG) has launched a media campaign for World Humanitarian Day 2019, 19 August. SNA published a [video](#) on World Humanitarian Day, following 2020 UN theme (#realLifeHeroes), in addition to publishing inspirational stories of 7 Humanitarian workers with the same hashtag in the following 7 days, presenting messages about the daily activities of humanitarian workers including their suffering, hopes and reflections and of humane bonds

between humanitarian workers and beneficiaries. The stories were posted on [SNA Facebook page](#) and shared by SNA member organizations.

In October 2020, the SNA through its Media and Communication Working Group (MCWG) launched a media campaign titled “Still in The Open” to shed light on the suffering and difficult living conditions facing IDPs during winter in Northwest Syria. The campaign products included videos, a photo with a story and posters. The campaign was launched by publishing a video about the suffering of IPDs residing in camps during the winter. Followed by a [letter](#) to Donors and Stakeholders on

Winterization aid in Northwest Syria.

NGO-Members of SNA initiated a campaign of communications through high-level meetings and through their membership in the SCHF Advisory Board as a result to Talal Abu-Ghazaleh institution visits on projects funded by OCHA through Syria Cross border Humanitarian Fund (SCHF). To conduct financial audits, They insisted on requesting the original documentation of the projects implemented in besieged Eastern Ghouta in 2016 – 2018, stating that their agreement with OCHA has no waiver for the besieged areas in Syria.

These advocacy efforts resulted in the suspension of the Talal Abu-Ghazaleh's negative reports. Finally, OCHA and Talal Abu-Ghazaleh accepted NGOs` justification and approved copies of documents presented by implementing partners.

## Advocacy Statements

Regarding the advocacy efforts for the humanitarian crisis in North West Syria, the SNA has:

- SNA sent [a letter to the United Nations General Secretary on the Catastrophic Humanitarian Situation and Massive Displacement Wave in North West Syria](#). The letter sheds light on the dire situation of civilians in Idlib and Aleppo who have been targeted militarily and displaced from their homes to face the lack of shelter and aid. The letter was sent the UN General Secretary and shared with the SNA mailing list including UN officials, Donors, NGOs and media and was also published on the SNA website.
- The Syrian NGO Alliance (SNA) published a [joint statement](#) with the Syrian INGO Regional Forum (SIRF), NGO Forum, Syrian Networks League (SNL) expressing concern over the UNSC Resolution on 11th July to close Bab Al Salam crossing point and renew Bab Al-Hawa only for 12 months.

- On June 22nd 2020, the SNA drafted the [Statement](#) by the Syrian NGOs Working in Northwest Syria in Response to the Joint Statement Issued by the UN Resident Coordinator and Humanitarian Coordinator in Syria, Imran Riza, and the Regional Humanitarian Coordinator for the Syrian Crisis, Kevin Kennedy, on the Safe Access of Students to Take Final Exams. This statement was published by the Syrian Networks League (SNL).
- SNA sent a [letter](#) to WHO representatives in Damascus pertaining COVID19- situation in GoS-held areas.
- SNA signed a joint NGO private [briefing paper](#) on COVID19- that was signed-off on by the following NGO coordination bodies (in alphabetical order) DINGO, HCI, NES NGO Forum, NGO Forum NWS, SIRF, SNA, SNL. The briefing calls on UN agencies,

donors, and member states to work together to rapidly scale up COVID19- prevention, coordination and response measures to mitigate the effects of the pandemic both on the people of Syria and the wider region. Transparent and timely reporting of the needs, and responses to them, are critical.

- On September 11th, SNA published a [policy document](#) regarding NEW PMA Regulations and its impact on communities and humanitarian activities in Northwest Syria.
- SNA published a [statement](#) regarding interference in the work of humanitarian organization in Idlib Governorate, the statement was signed by all SNA NGO-members.
- SNA issued a [Statement](#) on Targeting Civilians and Humanitarian Aid Workers in Northwest Syria.

## Coordination

The SNA team and steering committee regularly attend coordination meetings with UN OCHA and National and Regional Fora, such as Humanitarian Liaison Group (HLG) Turkey Hub, WoS Strategic Steering Group (SSG), North-West Syria (NWS) NGO Forum General Assembly, SIRF Advocacy and Policy Working Group, North-West Syria (NWS) NGO Form Advocacy Working Group, and League of Syrian Networks Coordinators Committee, to name a few. SNA representatives also attend high-level meetings with Mr. Muhannad Hadi, the (RHC) and Mark Cutts the (DRHC), HLG, the Office of the United Nations High Commissioner for Human Rights, and the International Commission of Inquiry on the Syrian Arab Republic, and with other officials and institutions.

In coordination with NGO Forum, SIRF and NES, SNA hosted the 8th High-Level Meeting on 27th January 2020 in Istanbul, which was attended by 13 NGO-members of SNA, 5 SNGOs, 16 INGOs, NGO Forum, NES Forum, SIRF, OHCHR, Donors, DRHC and SNA Secretariat. The meeting covered the following topics:

- ▶ *Introduction and round the table.*
- ▶ *Security developments.*
- ▶ *UNSCR 2504 and what it means for the future of Cross Border including effects on NES.*
- ▶ *Working environment in NW, NES & Damascus.*
- ▶ *Feedback from SOM / Copenhagen.*
- ▶ *Voices for Displaced Syrians.*
- ▶ *Present key messages to Donors and DRHC.*

SNA attended a closed-door meeting with the European Union Commissioner for Crisis Management Mr. Janez Lenarcic, the highest authority regarding EU humanitarian aid worldwide. and Mr. Christian Berger, Ambassador, EU Head of Delegation to Turkey on Wednesday, March 4 in Gaziantep).

The overriding purpose of the meeting is to have an update on the humanitarian situation and allow SNA to have a direct and open dialogue with the EU Commissioner on

NWS (challenges, potential upcoming scenarios, etc

SNA participated in NGO meeting with regional Donors Group (SYDWG) for Syria pertaining COVID-19 on 14 April. Participants: DINGO SC, NES Forum, NWS NGO Forum, SNA, SNL and SIRF. The NWS Hub key priorities were: 2020

- ▶ *Support health service providers with salaries, training on COVID-19 preventive measures and case management along with providing them with PPEs.*
- ▶ *Support all health facilities to be able to manage cases not in need for Ventilator including providing them with oxygen generators.*
- ▶ *Funding for large scale community-based isolation centers.*

SNA took part in Peer to Peer Exchange on Country level Fora operations during COVID-19 preparedness and response (Global Call) coordinated by ICVA on 16 April 2020

to discuss about the current situation, an exchange directly from the countries of operations the current challenges and the solutions identified, and to collect inputs for the planned revision of the Global Humanitarian Response Plan COVID19 – GHRP

On 19 October, Deputy Regional Humanitarian Coordinator, Mark Cutts, and OCHA colleagues called for a meeting with SNA NGO-members in the light of the recent developments and SNA above-mentioned statement where SNA called for:

- ▶ *Capacity building and training for humanitarian workers on how to deal with armed groups.*
- ▶ *Workshops to authorities on what is expected from them with regards to the humanitarian response.*
- ▶ *Clear guidelines from donors to NGOs about their legal position in case of interference of designated and armed groups.*
- ▶ *Feedback to NGOs from AWG on reported incidents by them.*

On 16 December, SNA jointly with NGO Forum and SIRF organized the [9th High level meeting](#) attended by SNGOs, INGOs, UN members and Donors who are involved in XB operations and the Syria response from various hubs to discuss matters on a strategic level.

## Introduction & Background

Al-Sham Humanitarian Foundation is a non-profit, non-governmental organization founded in 2011 and registered in 2013, in response to the Syrian humanitarian crisis. The Foundation works to meet humanitarian needs by implementing projects and delivering services to vulnerable people both in Syria and Turkey. It has highly qualified and experienced staff in the humanitarian sector in addition to a robust infrastructure in the field of various administrations and adopted technologies based on the best international and humanitarian standards

## Achievements 2020

2020 was a year full of challenges for humanitarian work, and COVID\_19 pandemic has posed an additional burden and a new challenge. Despite all the difficulties, AHF has managed to succeed in delivering humanitarian aid and services in Syria and Turkey to more than 486,000 direct beneficiaries through health, nutrition, FSL, protection, SNFIs, and ER projects with a total value of \$6.2 million dollars. The organization has dedicated great importance to compliance; where many internal and external audits were conducted, which contributed to increasing the transparency and accountability.

## Introduction & Background

ATAA is a non-profit humanitarian association, was licensed and registered in Turkey as a national organization in 2013, working to provide humanitarian assistance for the Syrian people in both Syria and Turkey and seeks to develop the Syrian society and strengthen its living conditions. ATAA not only is providing emergency response but also promotes sustainable economic and social development by working with the Syrian community – regardless of race, religion or gender inside Syria and Turkey in aligning with Sustainable Development Goals.

## Introduction & Background

ATAA adapted quickly and dynamically to face the spread of COVID-19 through:

- Extending distribution dates, dividing camps into small groups, and increasing the volunteers and distribution points within communities.
- Access to the households headed by women (including pregnant and lactating), the elderly, and people with special needs.
- Appointing a special awareness team to warn the dangers of the COVID-19.
- Due to the cross-border renewal issues, ATAA increased the cash modality within its programs to mitigate the negative effects of the non-renewal of UNSCR.
- Increased coordination with the Turkish authorities (Euphrates Shield, Olive Branch, and Peace Spring areas) and signed protocols to ensure access and the continuation of humanitarian aid.

- New methodologies regarding physical attendance suspension and deteriorating levels of education, along with increasing children's illiteracy rates via distance learning (WhatsApp groups and ATAA's education platform), mobile teachers, and radio education to ensure the continuation of learning and decrease drop-out rates.

## Introduction

Big Heart Foundation is a Syrian-led, non-profit NGO founded in 2013, which aims to alleviate human suffering through the impartial provision of humanitarian assistance. Big Heart's strength lies in its unique ability to combine the compassion of an organization that grew out of a local commitment to meet immediate needs with access to seasoned humanitarian and private-sector professionals.

Since 2013, Big Heart has been delivering vital assistance to vulnerable and underserved communities with a well-established, dynamic team of humanitarian, private sector and thematic and regional experts. Big Heart programming includes: food security, support to livelihoods, shelter and non-food item (SNFI) provision, life-sustaining emergency response assistance, Water Sanitation and Hygiene (WASH) services; support to education; multi-purpose cash grants (MPCGs), with protection considerations mainstreamed and integrated across all of Big Heart's sectors.

Big Heart collaborates closely with various International and Syrian NGOS. These partnerships allow Big Heart to leverage expanded technical and financial resources, engage in programmatic and geographic areas that could not otherwise be accessed, and share best practices among nascent sister NGOs.

Big Heart's intimate knowledge of the context drives its programming and innovative IT and communications solutions make it nimble enough to respond appropriately to the realities on the ground.

Our highly competent, motivated staff is made up primarily of Syrians who use their leadership positions in the organization to inform and influence strategic direction.

## Achievements 2020

In 2020 Big Heart completed the eleventh consecutive Food-for-Peace (FFP) funded food security programming partnership with GOAL, a total of 7,100 HHs has received repeated food assistance via 9 rounds of distribution in 12 months' time, in Ariha, Afrin and Western Aleppo. The impact of this program has been pivotal for improved food security amongst the populations we serve. Moreover, Big Heart completed the third consecutive programming partnership with Federal Department of Foreign Affairs (SDC) under Life-Saving Emergency Assistance to Crisis-Affected Populations in North West Syria. Big Heart has distributed in-kind emergency response assistance to a total of 400 HHs and provided Emergency cash-based assistance to a total of 3,226 HHs. The project has also supported Al Gazl water station, provided 88,616 M3 of clean, potable water to nearly 42,030 BNFs. Big Heart successfully implemented three project in partnership with OCHA, reaching a total of 425,791 BNFs under (NFI & WASH) in Idleb and Aleppo governorate. The OCHA Third Party Monitoring found implementation as an 'Outstanding performance', comprehensive evidence and an example of best practice in action.

## Introduction

Orange was established in 2016 and registered in Turkey, with the initial aim to develop the capacity of the communities they serve. Now Orange has expanded to provide support for Syrian communities during the crisis in food security and livelihoods, early recovery, protection, emergency, women empowerment and has made significant contributions in the education access and quality sector in NW Syria, Olive Branch, and Euphrates Shield with two main offices and 6 sub-offices in addition to projects centers. Orange now has more than 200 full-time staff in both Turkey and Syria and operates offices in the cities of Gaziantep, Hatay, Kilis, Sanliurfa, Mersin, Osmaniye, and Kahramanmaraş in Turkey, in addition to two offices inside of Syria. We aspire to fulfill our mission through effective programming in our sectors of operation, including Education, Food Security and Agriculture, Protection, Early Recovery and Livelihoods, Health, Nutrition, WASH, Shelter, Camp Coordination and Camp Management (CCCM), and Civil Society Capacity Development sectors to improve the resilience of the affected population.

## Achievements 2020

Orange expanded its sectors and areas of operations to work in new locations and provide new interventions. though Covid-19 was one of the challenges for Orange and the worlds. We could continue our work online and we developed professional SOPs on this. More BNFs targeted and we could reach may locations which are considered hard to access. The fund increased 3 times as it was in 2019 and that was a big jump for Orange. Also, many need assessments, researches, and contextual analysis that support the Syrian/Turkish context have been shared with donors, partners, and other networks.

## Introduction:

Social Development International (SDI) is a non-profit NGO established in 2015 and registered in Turkey, which provides humanitarian assistance to affected people in Syria.

SDI services cover North West Syria and North-East Syria (Tal Abyad) and provided through eight programs which are SNFIs, Health, Nutrition, Education, WASH, Protection, FSL, and CCCM.

Since the establishment of SDI till the end of 2020, the number of beneficiaries reached Two and a half million people, with a total spend of more than 22 million USD.

## Achievement 2020:

In 2020, SDI has implemented 41 projects in Syria.

Among its prominent projects is the rehabilitation of 1750 houses in Syria to host the displaced families.

In the health sector, SDI has operated three primary health care centers, two hospitals one of it allocated for women and children, in addition to two centers for artificial

limbs and physical therapy, and one blood bank in Afrin, four nutrition fixed centers, and nine rapid response team for nutrition services.

In the education sector, SDI has supported 15 schools by providing materials and incentives for teachers and furniture of mentioned schools and risk mitigation tools to avoid Covid-19 influence.

Also, SDI supported 4200 students in both formal and informal education by providing school bags, and to enhance the quality of education SDI raised the capacity of 210 teachers.

In terms of CCCM intervention, SDI handed over the first camp project established from Zero stage with a capacity of 172 tents.

Moreover, SDI constructed 120 latrines and showering cells, 24 of them allocated for disabled and elderly people with the proper ramps.

SDI equipped all the latrine blocks with solar lighting systems for the internal lighting in order to maintain the protection especially for the children and the women during night times.

In terms of WASH intervention, SDI conducted 2000 hygiene awareness sessions segregated between women, men, children, and elderlies in different locations.

In terms of protection, SDI raised the awareness of its staff by conducting more than 200 awareness sessions on GBV and PSEA topics.

In addition, SDI provided 6000 raising awareness sessions on PSEA and 3000 raising awareness sessions on GBV targeted different communities.

## Introduction:

The Syrian American Medical Society (SAMS) was founded in 1998 as a professional society to provide networking and educational opportunities to medical professionals of Syrian descent across the United States. The charitable arm of SAMS, SAMS Foundation, was launched in 2007. With the eruption of the conflict in Syria, SAMS Foundation has become one of the most active medical relief organizations working on the frontlines of crisis relief in Syria, neighboring countries, and beyond.

## Achievement 2020:

Throughout this difficult year of Covid-19 pandemic spreading, SAMS reached 896,557 beneficiaries in Aleppo, Idleb, Ar Raqqa, and Al Hasakeh while supporting 2,945 medical/non-medical workers in Syria. SAMS provided 1,774,580 services, 1,242,781 consultations, 19,724 deliveries, 52,821 surgical procedures, 8,376 dialysis sessions, 724 Covid-19 patients admissions, and 1,178 Cancer treatments. SAMS also conducted 10,452 community outreach awareness sessions about Covid-19 preventive measures and GBV.

In Turkey, SAMS provided 7,405 services and 1,442 consultations. through 1 MHPSS Center (Gaziantep), 1 Autism Centre (Istanbul Centre) and 1 Youth Centre (Reyhanli).

## Introduction & Achievement 2020:

Takaful Al Sham Charity Organization (TAS) is a non-profit organization providing relief and development assistance to communities affected by conflict and crisis. Additionally,

TAS aims to empower and find solutions to enable sustainability for those affected by war, crisis, and disaster as well as those who have fled their country in search of stability elsewhere. TAS was one of the first local NGOs founded by a group of volunteers to respond to the Syria crisis. TAS, since its founding in 2012, has assisted nearly 2 million internally displaced people and refugees in Syria and in Turkey.

## Introduction & Achievement 2020:

- Education: 6 Projects: 86,660 children, in addition to 3,695 teachers and education personnel.

## Introduction :

Union of humanitarian medical, non-governmental chapters, registered in the United States, Canada, the United Kingdom, France, Germany, Netherland, Switzerland, and Turkey. Member chapters mobilize and coordinate their resources to provide neutral and independent humanitarian assistance for victims affected by crises. The Union of Medical Care and Relief Organizations-UOSSM was established by eight Syrian doctors from around the world in Paris in January 2012 in response to the Syrian humanitarian crisis and has become one of the largest providers of medical relief services in Syria.

## Achievement 2020:

### UOSSM provided and operated:

- 58 health facilities with 871650 medical consultations for 764038 beneficiaries
- Providing 126953 beneficiaries with Nutrition services
- 603669 community health consultations for 229867 beneficiaries
- Specialized protection services such as GBV case management and CP case management due to the increase of domestic violence in the term of Covid-19
- Establishing MHPSS helpline services to provide mental health consultations remotely to the pandemic-affected population
- UOSSM also adjusted group protection activities to be provided remotely via WhatsApp groups or individually

## Introduction:

Violet Organization was founded in July 2011; registered in Turkey in 10.12.2014. Initially, the aim was to support vulnerable people of Syrian communities as response to the consequences of the crisis. This goal has not changed yet and remains valid. The organization's response is not only focused on emergencies but on long-term impact in health, livelihood and education.

## Achievement 2020:

In 2020, Violet implemented projects with an annual budget of over 15 million USD. While this budget is a peak in Violet's history, it also shows Violet's achievements in 2020. 2020 started with the biggest displacements in the Syrian crisis, where Violet responded with evacuations, distributions, and shelter to thousands of families. Two months later, COVID-19 pandemic hit and Violet rapidly set up community isolation centres and kicked off COVID-19 campaigns for staff, health professionals and also children.
