# SNA EARTHQUAKE RESPONSE - SITREP#9 for August 2023

This report details the humanitarian responses of the Syrian NGO Alliance (SNA) members during June 2023, encompassing both the general response and the post-earthquake response. The report focuses on three sectors: Food Security and Livelihoods (FSL), Water, Sanitation, and Hygiene (WASH), and Early Recovery. For data related to the Education, Nutrition, and Protection sectors, please refer to SitRep 4.

The list of SNA members who provided response data for this report can be found in the footer of each sector.
This SitReps are the result of an ongoing collaboration between DEMAC and the Syrian NGO Alliance (SNA).
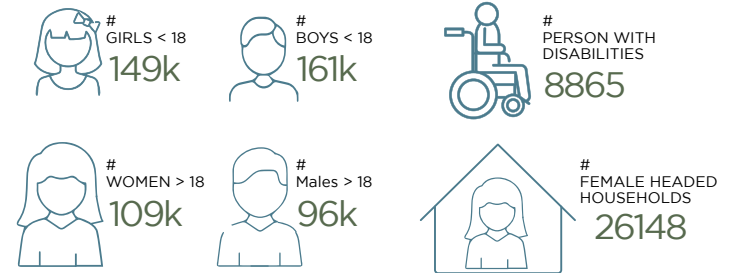

FOOD SECURITY & LIVELIHOODS (FSL)

- In August, members of the SNA effectively reached a wide array of beneficiaries through their FSL interventions, catering to various groups such as adults, children, individuals with disabilities, and female-headed households.

- **99308** households were reached encompassing **478100** individuals. assistance.. **453454** of these individuals were unique to the month of June while, the rest had received similar assistance in the previous month.

- Beneficiaries reached included **74%** Internally Displaced Persons (IDPs) and **26%** mix of Host Communities & IDPs.

- To ensure that assistance provided aligned with the specific needs and contexts of the beneficiaries, both in-kind services and cash/voucher aid were utilized.
